

# SMART Mirrors

Take charge of your day.

Be more efficient,  
effective and connected  
every single day.

## Personalized Content

Start each day with the information that matters most to you. Create your own personalized home screen with curated information by choosing from a menu of more than a million widgets and apps.

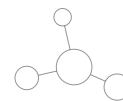

## Voice and Touch

Multi-task like never before with hands-free voice activation and intuitive touch control options to connect to your calendar, email, weather, and favorite apps.

## Better Routine

The vanishing display is 4 times the size of the average tablet and is conveniently positioned in the mirror. It allows you to mentally prepare for the day while you get ready every morning.

## Smart Control

Transform the bathroom into a smart home control hub. View your security cameras, dim the lights, open the garage and more, all from the convenience of your bathroom mirror.

"This is by far one of the coolest things we've seen  
and we see a lot of cool stuff."
